Message from the President

It is my pleasure to announce the release of the prospectus of Chanchal College, Chanchal, Malda, for the academic year 2025-26. The prospectus reflects the College's present developments as well as its previous glories with the aim of ensuring a bright future of the College and all those, associated with it.

For years, the college has served the needs of the community and it has played a critical part in the molding of many students' careers, many of whom have gone on to play vital roles in the development of the locality. My aim is to see that the college has a significant impact on the society as a whole.

Amidst every odds, ups and downs of different wings of an institution, the college has been pursuing this objective with unflinching efforts. Now, the commencement of every new academic session brings new faces with new hopes and the entire college community is earnestly looking forward to welcome the new batch of young students in different discipline. I extend my wholehearted support to all of them.

I am confident that this year will bring happiness and prosperity to every member of the College. On the occasion of the publishing of this prospectus and the beginning of the new academic session, I wish the students, faculty and staff of the College every success and a bright future.

With best wishes,

Prof. Dr. Sougata Pal

President,

Governing Body,

Chanchal College, Chanchal, Malda

Message from Principal/TIC's Desk

Chanchal College, located in the northwestern corner of Malda district, serves a vast region that is economically backward, geographically remote, and often difficult to access. Since its establishment, the College has remained dedicated to spreading the light of education among students who largely belong to minority, tribal, and other socially and economically disadvantaged communities. A significant portion of our learners are first-generation students, and their progress continues to inspire our mission. As a rural institution with limited resources, we strive to offer the highest level of support for the holistic development of our students. In an era shaped by liberalization and globalization—accompanied by the erosion of human values and ethics—we remain committed to nurturing their mental well-being through value-based education. We firmly believe that such an approach fosters tolerance, mutual respect, and a rational, scientific, and progressive outlook. Our efforts are directed toward helping students develop an enriched awareness of their surroundings and empowering them to contribute meaningfully to society. It is our conviction that the strong sense of identity, belongingness, and appreciation of India's cultural heritage that we cultivate will guide them throughout their lives and help them grow into responsible and compassionate human beings. The previous academic year witnessed remarkable progress across multiple dimensions of the College's development, particularly in terms of infrastructure. From the academic session 2022–23, we introduced a new subject, NCC (General), in response to the growing interest among students. Additionally, the intake capacity for several Honours and General courses has been increased to meet the rising demand within the locality—an initiative actively supported by the President of the Governing Body. Significant steps have been taken to enhance the College's infrastructure, especially for laboratory-based departments. The College office has been fully computerized, and two air-conditioned computer laboratories have been established for the Science and Geography departments. A well-developed playground has also been created to promote co-curricular and physical development. Continuous efforts are underway to elevate Chanchal College into a leading educational institution in this region.

Teacher-in-Charge

Chanchal College

ABOUT THE COLLEGE

Chanchal is a Sub-Division of Malda District in West Bengal. It is the second largest sub-division town in Malda. It is located at 25.39° N & 87.99° E. Chanchal College is a premier College in North Malda.

It was established on 26th August, 1969 with an aim to imparting higher education to the students of North Malda which is most backward minority concentrated region. It is presently affiliated to the University of Gour Banga.

It is housed in the heritage building of Chanchal Palace. It was the home of Raja Saratchandra Rai Bahadur, who built the Chanchal Palace. One part of the palace was transformed into a Govt. aided College in 1976. The kind hearted Chanchal Raj Sri Sisir Kumar Mukherjee donated a part of the palace amounting 5.13 acres of the land for educational progress of this region.

The College has Arts, Science and Commerce departments. As of now, it imparts 11 (eleven) Honours & 15 (fifteen) General subjects. It accommodates NSS and NSOU study centre. It also is to accommodate Physics, Chemistry, Math & Geography laboratories for both Honours and General categories which require large space to run them in a decent manner. Also, there are plans as well as demand to open new subjects.

VISION OF THE COLLEGE

Chanchal College pursues the idea **KNOWLEDGE IS POWER**. The College ensures the dissemination of higher education and culture to students irrespective of their caste, creed and gender, by providing them ample scope for the study of multiple disciplines. It adapted the vision of empowering the student's with higher education.

Intelligence Plus character-that is the goal of true education -Martin Luther King Jr.

MISSION OF THE COLLEGE

Since its inception, the college has tried to provide the benefit of higher education to the students of diverse economic backgrounds and communities.

Within its limitations of being a rural college, the institution tries its utmost to impart quality education for the uplifting of the students in and around Malda, many of whom are first generation learners.

The institution aims to instill within its students moral values which will ultimately enable them to serve their country as responsible citizens.

The College is committed to achieving long term institutional development by creating quality infrastructure and implementing new teaching methods and procedures following the Education policy of State and Central Government

IMPORTANT GUIDELINES AND INFORMATION FOR ADMISSION

Admission General Guideline-2025-26

1. 1st year admission of Undergraduate Programme for academic session 2025-2026 will commence through **Centralized Admission Portal**. Portal link is : <https://wbcap.in/>
2. Candidates seeking admission must have to secure the qualifying pass marks including English at the Higher Secondary (H.S.), or its equivalent Examination.
3. During admission, the marks of the best **four** subjects at the Higher Secondary (H.S.), or its equivalent Examination will be considered. These four best subjects must include **English**.
4. Students who have passed the Higher Secondary (10+2) Examinations in the current year, immediate previous year and the year before the previous year, **i.e. 2025, 2024, and 2023** will only be allowed to take admission.
5. To know more about the Merit Marks Calculations, Tie Breaking Rule and detailed subject seat matrix, on our college Web site.

Minimum eligibility criteria:

- (i) **4-Year UG Degree (Honours / Honours with Research):** A student who has passed the Higher Secondary (10+2) Examination held by the West Bengal Council of Higher Secondary Education or its equivalent Examination from other Boards / Councils with at least four subjects having English as Compulsory Subject of 100 marks is eligible to take admission to the Honours Programmes of Studies of B.A./B.Sc./B.Com. on the basis of merit and available vacancy of the particular subject(s) in the college.
